Creative professional with a solid design background. Skilled in creating graphics-rich content for web and multimedia design technologies and standards. Core competencies include:

- Front End Development: HTML, CSS, jQuery, WordPress, Joomla
- Prototyping: Figma, Balsamiq Cloud, Axure RP
- Adobe CC: Photoshop, Illustrator, XD, After Effects
- Microsoft: VS Code, Word, Excel, PowerPoint

### EXPERIENCE

CNH Industrial, Burr Ridge, IL

#### UI Designer, Embedded Systems - Agriculture

June 2022 to July 2023

- Developed standardized icons for the next-generation in-cab tractor displays based on the UI/UX company style guides.
- Communicated daily with designers and engineers to gain a deeper understanding of the icon's meaning, translating those concepts into thoughtful imagery while keeping ISO standards and the customer in mind.
- Maintained documentation of icon approvals including stakeholder sign-off and ISO standard compliance.

Harper College, Palatine, IL

#### Web Developer/Project Lead - Geography Department

May 2022 to November 2022

- Collaborated with team members to create an updated design for the Harper College Geography website.
- Utilized hand sketches and wireframes, delivering a hand-coded website using HTML, CSS, and JavaScript.
- Assumed the lead developer role when the team withdrew maintaining communication with professors regarding changes and updates, ensuring the site met their expectations.

Sears Holdings Corporation, Hoffman Estates, IL

#### Designer, Home Fashions & Outdoor Living

June 2006 to August 2019

- Created original print repeats, colorways, and graphics inspired by trends and market research.
- Partnered with sourcing and buying teams to create bedding designs that fit cost target, maintain integrity of the design, and maximize profit.

### VOLUNTEER EXPERIENCE

Jefferson Park Sunday Market, Chicago, IL

#### Volunteer Web Designer, Jefferson Park Sunday Market

June 2022 to Present

- Created an updated website for the farmers market using HTML, CSS, and JavaScript.
- Provide website updates which include written and graphic content.

### EDUCATION

Harper College, Palatine, IL

#### Web Design and Interactive Media Certificate

May 2022

Southern Illinois University, Carbondale, IL

#### Bachelor of Science, Interior Design
